MEMBER EXPECTATIONS

The Best Buy Teen Tech Center is an interest-based learning environment for teens to experiment and master various new technologies with help from their peers and adult mentors. They can then share their work with other teens across the globe through The Clubhouse Network.

We hold the staff, our members, and mentors to high standards when it comes to our behavior while learning and working together. We ask everyone who uses the Teen Tech Center to help us live up to these standards by working with a set of expectations that will help guide this space.

Rules for the space:

1. No food

- No food is allowed in the library.

2. Drinks

- No drinks are allowed in the sound booth.
- Drinks must have a top in the rest of the library.

3. No profanity

- Cursing is not allowed in the library.

4. Illness

- If you feel sick, stay home. If you have fever, cough, or shortness of breath, call your primary care provider. If you do not have a primary care provider, call the Louisiana Department of Health hotline at 1-855-523-2652

Expectations:

1. Respect yourself, other members, mentors & staff

- Show respect for yourself and others at all times.
- Respect others' property. Avoid touching or writing on anything that does not belong to you.
- Don't expect that others will clean-up your messes. Please pick-up after yourself.
- Be kind with your words and actions.
- Disrespect towards other members, mentors, and staff will not be tolerated.
- Respect Teen Tech property

2. Take responsibility for your actions

- If you are confronted about a rule infraction, own up to it. Don't deny it, lie about it, or blame someone else.
