Online Library Resources

To access the Library's research tools, visit nolalibrary.org. Click "Research" tab in the navigation bar, and then select "Databases." This link will direct you to the [Louisiana Library Connection](#), a webpage that includes links to all of the New Orleans Public Library's databases, as well as statewide databases. Scroll through the Louisiana Library Connection website to find each of the databases listed below. You will need your Library card to access these databases. If you do not know your Library card number, please call any Library location for assistance.
